---

## SUMMARY

---

A Mobile Application Developer with a strong background in building cross-platform apps using Flutter and React.js. Focused on creating fast, reliable, and user-friendly mobile experiences. Skilled in connecting apps with APIs and using Firebase for secure and scalable solutions. Enjoys solving real-world problems with smart design and clean code. Always eager to learn, take on new challenges, and collaborate to build better mobile applications.

## EXPERIENCE

---

### Software Developer (Flutter & React.js)

Oct 2024 – Feb 2026

Kutumba Tech Pvt. Ltd., Nepal

- Develop and maintain applications using Flutter and React.js with modular architecture.
- Integrate REST APIs and handle secure authentication via Firebase.
- Implement state management using the BLoC pattern for scalability and maintainability.
- Collaborate with designers and backend developers to deliver high-quality, production-ready features.
- Focus on optimizing the performance of the app and the responsive user interface.

### Flutter Developer Intern

Dec 2023 – Sep 2024

Kutumba Tech Pvt. Ltd., Nepal

- Built key Flutter modules and improved app performance with efficient UI rendering.
- Implemented Firebase Authentication and integrated RESTful APIs for data exchange.
- Collaborated on code reviews and agile sprints to maintain high development standards.
- Enhanced user experience with responsive layouts and reusable components.

## EDUCATION

---

### Bachelor in Computer Applications (BCA)

2020–2024

Hetauda School of Management and Social Science

Relevant Coursework: Data Structures & Algorithms, Database Systems, OOP (Java/.NET), Web Development

## TECHNOLOGIES

---

Languages: Dart, JavaScript, SQL

Technologies: Flutter, Git, Firebase, React.js, Tailwind CSS

## KEY PROJECTS

---

### Nepali Calendar Kit

2026

- Nepali (Bikram Sambat) calendar utility with accurate BS–AD date conversion.
- Reusable Nepali Date Picker component for modern web applications.
- Designed for easy integration with clean APIs and clear documentation.
